# AJ CHAIRMAN MESSAGE

## AJ CHAIRMAN MESSAGE

This gives me great pleasure to welcome you to the AJ website. We have put considerable effort to make your access of the site smooth and user-friendly. Our site provides you a comprehensive view of what we stand for, our values, mission and how we consistently fulfill our promise to the customers. We bring our professional values of fairness, honesty and trust to bear on modern and innovative ways of working and developing our business and associated relationships.

This has resulted in the Group assuming a leadership position in several of the businesses. We will continue to build partnerships with our customers, through knowledge, ingenuity and commitment of our people as well as through the products and services we offer. We have always adopted the best management practices and acquired/used latest technologies to improve our business efficiencies and achieve economies of scale.

We bring our professional values of fairness, honesty and trust to bear on modern and innovative ways of working and developing our business and associated relationships.

We at AJ will not only work hard to meet your expectations but also challenge ourselves to go beyond them. This is our promise and would like to continue in fulfilling all commitments to our customers.

# ABOUT US

## ABOUT US

AJ Trading Est. is an Innovative Technology & Outsourcing Company that provides technical consulting & IT solutions to global firms. Visit today! ... Which is why, when you choose us, you're not just another business. You are a relationship. And we, at HCL, are committed to go beyond the contract.

AJ helps clients harness the power of innovation to thrive on change. For more than 10 years, we have successfully guided the world's largest enterprises and government agencies through successful change cycles. We take pride in our technology independence and our role as a trusted advisor. Our deep experience gives us a clear and confident vision to help clients navigate the future.

# OUR MISSION & VALUES

## OUR MISSION & VALUES

We lead clients through accelerating change, helping them harness the power of technology to deliver new outcomes from their business. Our values are CLEAR.

Our success is built on the trust we earned from clients. We work shoulder-to-shoulder with our clients to solve complex challenges in ways that minimize business risk and maximize opportunity. Our world-class talent becomes part of our clients' teams, innovating with them and putting the right technology to work for their organizations. And we invest in building collaborative client relationships that flex and grow to help meet new challenges with confidence, speed and agility.
